Risk Assessment

Activity; Launching watercraft from the Teifi Boating Club slipway by club members during the Covid 19 Pandemic.

Location; The Patch, Gwbert – on –Sea, Cardigan .

Assessors: A W Jones,

Assessment date, May 2020

Hazard	Likelihood	Severity	Overall Risk	Control Measures
Covid 19, Corona Virus	1	4	4	Any member launching their vessel from the slipway must comply with current Welsh Government guidelines for Corona Virus (Covid 19). <b>Use of signage to be considered.</b>
Launching and recovering craft	1	4	4	Drivers of vehicles must consider pedestrians when launching and recovering vessels when in the vicinity of the slipway and boat yard, speed limits must be observed at all times. The public have a right of way across the slipway and must be given priority. Only one vessel at a time is permitted to launch. Other vessels will stand clear, until their turn to launch or recover. Preparation for launch or recovery of your vessel is essential to minimise time taken to complete the activity. Suitable footwear should be worn at all times. All wheel chocks to be removed from the slipway after use. <b>Use of signage to be considered.</b>
Weather conditions	1	2	2	Weather conditions should be monitored as strong or gusting winds may affect the launch and recovery process. <b>Inform Members via monthly section meeting</b>
Tidal heights and river current	1	2	2	The size and time of the tide should be considered, also, flood and ebb rates, combined with current direction, all will have an effect on launching and recovery of vessels. <b>Inform Members tide tables issued to each member</b>
Assistance with launching and recovery of vessels	1	4	4	Vessel users are reminded that assistance to launch and recover may be required.
Drowning	1	2	2	Personal buoyancy aides should be worn during all boating activities. <b>Advise members via monthly section meeting</b>

Risk Assessment

Risk Rating		Rating action bands	
To establish residual risk rating multiply “likelihood by the severity”			
Likelihood	Severity	Risk Band	I additional action required
1, Most unlikely	1, Trivial injury	1 & 2, Minor Trivial risk	No further action required, Monitor situation
2, Unlikely	2, Slight Injury	3 to 5, Low risk	Monitor control measures for continued effectiveness
3, Likely	3, Serious, chronic injury	6 & 8, Medium risk	Improve or increase control measures
4, Most Likely	4, Major injury or death	9, 12 & 16 High risk	Stop the activity, improve and increase controls immediately
<b>Management confirmation</b>			
I have noted the above assessment and will take appropriate steps to ensure all actions raised and control measures are implemented
